- 3 Eggs • ½ Cup Vegetable Oil • 1 Cup Milk • Non-Stick Baking Spray
- Donut Pan, 6 Count • Ziplock Bag OR Pastry Bag with Round Frosting Tip

Decorating Ingredients:

- White Sparkle Gel or White Icing Writer • Black Sparkle Gel or Black Icing Writer
- Optional: Chocolate Frosting and Paw Patrol Inspired Sprinkles

INSTRUCTIONS

Preheat oven to 350°. Use mixer to combine cake mix, dry pudding mix, eggs, vegetable oil and milk until a smooth batter is formed. Spray donut pan generously with non-stick baking spray. Pipe batter into pan either using Ziplock Bag with corner cut off or pastry bag with frosting tip. Fill each donut cavity half way as batter will rise. Bake for 10-12 minutes. Insert toothpick to test doneness. They're baked through when toothpick comes out clean. Cool for about 10 minutes before removing from pan. Carefully remove from pan and let cool completely on baking rack. Repeat process until all batter is used up.

Once donuts are cooled, use white sparkle gel or icing writer to draw circle around center of donut. Then use black sparkle gel or icing writer to make small slightly angled lines all around white circle. You now have tire donuts! To decorate even more festive Paw Patrol donuts, drizzle slightly warmed chocolate frosting over donuts and sprinkle Paw Patrol inspired sprinkles on top. Enjoy! Store uneaten donuts in airtight container.
