- Black Paper or Black Foam Sheet
- Foam Pumpkin or Orange Pumpkin Sheet

## CRAFT TOOLS:

- Scissors • Pencil
- Glue Gun
- Paint Brush
- Toothpick
- Optional: Hole Puncher & Circle Punches

## INSTRUCTIONS:

Make the Smurf Nose. Press toothpick into ball and use that to hold while painting. Paint styrofoam ball with blue paint. Let dry completely.

Make the Smurf Hat. Cut 2" strip that is the width of blue gift bag out of white felt. Glue it onto top of front of blue bag. Cut circle out of white felt. Make small fold at top of circle and glue it to back of bag front and fold the rest of circle over. Use tiny bit of glue underneath top of circle onto bag front while leaving the rest loosely hanging down.

Cut Foam Pumpkin in half and glue to bottom of bag. Alternatively, cut your own pumpkin shape out of orange foam or orange paper. Add small triangles cut out of black paper or black foam and glue them on pumpkin.

Make the Smurf Eyes. Eye shape is two identical ovals overlapping each other. Cut shape out of white paper or white foam sheet. Cut small blue circle out of blue paper or blue foam sheet. Cut smaller circle out of black paper or black foam sheet (use hole puncher to make this easier). Glue blue circles onto white part of eyes and black circles onto center of that. Glue completed eyes onto bag about 1 and 1/2" under hat. Cut eyebrows out of black paper or black foam sheet. Glue them onto rim of hat.

Using a glue gun, glue the nose directly underneath the eyes.

Make the Smurf Ears. Cut two identical circles out of blue paper. Fold 1/4th of ear and glue that portion onto each side of bag for the ears.

Make the Smurf Hands. Cut small hands with only 4 fingers out of blue paper or blue foam. Fold over a small amount and glue onto the sides of the bag so that the hands loosely hang over for a 3D effect.

Use as a party favor bag or to trick or treat.
