ANT-MAN AND THE WASP

# QUANTUMANIA

## DISC SPINNER CRAFT

### MATERIALS

- 3D printer
- Light gray filament
- Super glue
- Red acrylic paint
- Blue acrylic paint
- Small Tip Paintbrush

### INSTRUCTIONS

1. Using the file located here [https://www.printables.com/model/45913\\_3-ant-man-pym-particle](https://www.printables.com/model/45913_3-ant-man-pym-particle) print two. Be sure to invert the second one.
2. Once both halves have finished printing, remove the print from the bed.
3. Carefully, use the super glue to connect the top and bottom halves together. Allow to set.
4. Using a small paintbrush, gently apply the red paint to the center circle on one side. Once it dries repeat on the other side.
5. Repeat step 4 with blue paint.
6. Enjoy your Pym Particle Disc spinners!
