# ANT-MAN AND THE WASP QUANTUMANIA OOZE DRINK

## INGREDIENTS & SUPPLIES

- 6 oz fresh raspberries, or frozen thawed
- 1/2 cup sugar
- 1/3 cup water
- 1 packet unflavored gelatin
- Saucepan
- Spoon or potato masher
- Heat resistant bowl

## INSTRUCTIONS

In a small saucepan, add all ingredients. Stir and mash berries with a spoon or potato masher. Over medium-high heat, bring to a boil. Boil 3-5 minutes or until berries begin to break down and the mixture begins to thicken. Transfer mixture to heat resistant bowl and cool on the counter until room temperature. Serve immediately or cool and store in the refrigerator for up to 5-7 days. Makes 4 small Ooze servings, not guaranteed to help you understand alien languages.
