

There's nothing more swell than munching on juicy fresh fruit on a hot summer day. Take a cue from the Teen Beach crew and serve this summer-themed snack at your Teen Beach viewing party!

Reminders

- All actions involving knife cutting, skewering, stove and oven usage, and electrical appliances (food processor, blender, etc.) should be handled or supervised by a grown-up.
- Ask parents of partygoers if children have any food allergies!

What You'll Need

- Kiwis
- Bananas
- Oranges

How To Make it

1. Peel kiwi and have a grown-up cut lengthwise into eight equal segments. The kiwis will be your palm tree's leaves.
2. Peel banana and have a grown-up cut in half lengthwise. The banana will be your palm tree's trunk. Have a grown-up cut the banana "trunk" into half-inch-thick pieces.
3. Peel orange, remove pith, and separate out the segments, which will make up your palm tree's roots.
4. Arrange the fruits on a plate to resemble a palm tree as pictured above.
