

Drawstring Bag:

1. Cut out pattern piece.
2. Put fabric with right sides together, creasing along fold line (bottom of pattern).
3. Stitch from folded edge to dot (matching dots). Be sure to back stitch at each end of the seam.
4. Press seams open. Continue pressing to top edge.
5. Turn seam allowance under above dot (You should have already pressed this open). Stitch close to edge.
6. Fold Top edge under $1/2$ ". Press. Fold down another 1". Press. Stitch close to edge. This will form a tube on each side.
7. Cut (2) 18" pieces of yarn or cord. Using a safety pin, thread through both sides of tubing from different directions. Tie ends together.
